Our school simulates salon conditions to help our students "learn-by-doing", with modern equipment and a variety of supplies that help enhance the student's product knowledge. Our objective is to help the student become "salon-ready" for an entry level position in a salon.

## ACADEMIC POLICIES

---

### PROGRESS POLICY

Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matters prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program.

### SATISFACTORY ACADEMIC PROGRESS POLICY

This institution expects all its students to maintain Satisfactory Academic Progress as established by this institution. This policy applies to students enrolled in any course at the institution, regardless of attendance status (part-time or full time). The student must:

1. Maintain a cumulative academic average of "C" (70%) or better as a qualitative factor to determine academic performance using grades, and/or work projects completed, and/or comparable factors measurable against a norm.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract as a quantitative factor. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ( $2/3 \times 30 = 20$ ).
3. Complete the course within 150% of course length as defined in the enrollment agreement.
4. Evaluation periods are done at least by midpoint of the academic year or program for all students, whichever comes earlier.
5. Students who meet minimum requirements are considered making satisfactory academic progress until their next scheduled evaluation.
6. Only students who maintain satisfactory academic progress are eligible to receive Title IV assistance.
7. A student's successful course completion percentage is based on the number of successfully completed credit hours divided by the cumulative number of credit hours attempted by the student.

### EVALUATION PERIODS

Students enrolled in the Teacher Training, Esthetician, Holistic Health Practitioner, Manicuring, and Massage Therapy programs are evaluated two (2) times, at the point at which 50% of the program is completed and the point at which 90% of the program is completed.

**Example:** For the 600 hour Teacher Training course, the student will be evaluated at the point where 300 hours and 540 hours of instruction have been completed.

Students enrolled in the Cosmetology program are evaluated four (4) times during their course of instruction. These evaluations occur at the points at which 25%, 50%, 75%, and 90% of the program is completed.

**Example:** For the 1600 clock hour Cosmetology program, a student will be evaluated at the point in which the student reaches 400, 800, 1200, and 1440 clock hours.

Student evaluations are maintained in the student's file and are accessible to the student upon request.

### ACADEMIC PROBATION

Students who are not considered to be meeting minimum standards for Satisfactory Academic Progress will first be put on warning status. The student remains eligible to receive aid during the warning period.

Failure to meet satisfactory academic progress by the next evaluation period will result in the student being placed on Academic Probation. The student must provide a written appeal and demonstrate that they will be able to reach Satisfactory Academic Progress by the end of the probationary period. Students remain eligible to receive aid during the probation period but will be considered to be on academic/attendance probation. Probationary students who fail to meet Satisfactory Academic Progress by the conclusion of the probationary period will be deemed not to be making satisfactory academic/and or attendance progress, will lose any remaining eligibility for student financial aid, and may be terminated at the discretion of the institution. Students who lose financial aid must become cash paying.

In the event such students are allowed to continue with instruction, aid eligibility will be reinstated only after the student has reestablished Satisfactory Academic Progress in accordance with the attendance and grading

standards.

In the event a student is terminated due to not making satisfactory academic progress, all policies regarding the institution's refund policy will apply. Warning and probationary students who meet Satisfactory Academic Progress by the conclusion of the warning/probationary period will be removed from academic warning/probation and will retain eligibility for the Title IV aid. Students will be notified of any evaluation that impacts the student's eligibility for financial aid.

### **APPEAL PROCEDURES**

Students who wish to appeal the decision that they are not making satisfactory academic progress must submit a written request to the institution's administrator. The letter should be received within (5) days of the determination and must describe any circumstances related to the student's academic standing which the student believes deserves special consideration, such as a death of a relative or an injury or illness. The letter should also document why the student failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation. The administrator shall evaluate the appeal within a reasonable time frame (5-10 days) and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide a written notice to the student of its decision within a reasonable time frame (5-10 days). The decision of the committee shall be final. Students that prevail upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory academic progress, and determined as making satisfactory academic progress will be re-entered in the program and financial aid funds will be retroactive for eligible students who have displayed satisfactory academic progress within the evaluation probationary period time frame. All records of the student's appeal will remain documented in the student's file.

### **LEAVE OF ABSENCE**

Occasionally, students may experience extended personal, medical or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program for up to two (2) ninety day (90) periods, not to exceed 180 days. Each LOA must be a minimum of 14 days. The LOA must be requested in writing by the student and must be approved by school official. The LOA request form must be filled out and the date of leave and return must be stated on the form prior to the school official approving the LOA. Do not request a Leave of Absence unless you absolutely need one. Under no circumstances can the school grant more than two (2) LOA within a 12 month period unless approved by the School Director. Students on LOA's will not be assessed any additional charges of tuition. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from a LOA will have his/her maximum time frame to complete the program extended by the same number of days as the leave of absence. If a student on an approved leave of absence notifies the school that he or she will not be returning, the date of withdrawal shall be the last day of attendance. All refunds due will be issued to the student or appropriate agencies and paid within 45 days.

### **PROGRAM INCOMPLETENESS**

Program incompleteness, repetitions and non-credit remedial courses are not applicable to this institution's form of instruction. These courses have no effect upon the school's satisfactory academic progress standards.

### **ATTENDANCE**

Students are required to attend school according to their student schedule as indicated by their enrollment agreement. Attendance is verified by clock in time and roll call. A student who is not present at roll call will not receive clock hour credit. Full time enrollment is defined as any student scheduled to attend 24 hours or more per week. Part-time enrollment is defined as 20 or more but less than 24 hours per week. Less than 12 hours per week is considered less than half time enrollment.

### **TRANSFERS**

Transferred hours will count as both attempted and completed hours.

### **GRADING SYSTEM**

Students are evaluated on a regular basis on theory and practical work. Academic performance is measured

by written examinations administered periodically by the instructor. Grading for exams is based on the scale listed below. Practical performance is measured by a student's completion of practical operations. Practical operations have a maximum point value of 4 points. Students are graded according to the grading criteria for accuracy in each sub-category. This score is then recorded as they complete each operation on the back of the student's time card. The cumulative score of both academic exams and practical operations make up a student's overall GPA. Students must maintain a "C" (70%) average to maintain satisfactory academic status.

**ACADEMIC GRADING**

100%-90% A.....Superior Performance  
 89%-80% B.....Above Average  
 79%-70% C.....Average  
 69%-60% D.....Unsatisfactory  
 59% -00% F.....Fail

**POINT GRADES FOR PRACTICAL WORK**

(GPA 4) 4 POINTS = A  
 (GPA 3) 3 POINTS = B  
 (GPA 2) 2 POINTS = C  
 (GPA 1) 1 POINT = D  
 (GPA 0) 0 POINT = F

**STUDENT CLOCK HOUR POLICY**

The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance. As a result of this requirement, this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their day and lunch period. Students will be given up to 9:07 A.M. to clock in and receive credit for the lecture hours. Starting at 9:08A.M., it will count as 10:30 A.M. A thirty (30) minute lunch break shall be taken when a student attends more than 6 hours a day. If you are attending 6 hours or less and desire to take a lunch break (30minutes), then the half hour must be deducted from the daily total. If attending 8 hours or more, 2 (30 minutes) breaks are required. At the completion of the day, the daily hours and operations earned are recorded. Timecards must be signed by the student and the instructor daily.

NOTE: Instructors may not sign a student in or out, unless approved by the Director.

Timecards reflect the students' daily record of hours and operations. It is important that all hours and operations are recorded properly and accurately. The office staff must be able to read timecards so that the hours and operations are transferred correctly. All weekly timecards must be turned into the office at the end of each week in order to receive credit. Timecards must be stored in their entirety for 5 years by the school.

**TIME CARD CREDIT**

The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations is to be applied efforts of the students as they manually perform practical subject.

Some practical operations may take longer to perform according to the student.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance

1. After the end of the cancellation period, you also have the right to stop school at any time, and receive a refund for the part of the course not taken. Your refund rights are described in the contract. If you have lost your contract, ask the school for a description of the refund policy.

## **COLLECTION OF TUITION**

During our interview of prospective students, we compute a needs analysis based on the amount of income or resources compared to the cost of education, room, and board, and traveling expenses. If the student qualifies, we help the individual prepare the appropriate Financial Aid application. For those students who are not receiving financial aid, the admissions representative will develop a personalized payment program for each individual, not to exceed advance payment of one term or four months at a time. The balance of tuition in all programs is due by the time 50% of the course is to be completed.

## **SCHOLARSHIPS**

Our College does award scholarships periodically.

**THE COLLEGE RESERVES THE RIGHT TO CHANGE THE TUITION AND FEES AND MAKE SUBJECT CHANGES WITHOUT PRIOR NOTICE WHEN NECESSARY. ANY CHANGES WILL NOT AFFECT ATTENDING STUDENTS.**

## **REFUND POLICY**

**The following refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure.**

- A. An applicant not accepted for training by the school shall be entitled to a refund of all moneys paid.
- B. If a student (or in case of a student under legal age, his parent or guardian) cancels his/her contract and requests his/her money back in writing by producing a signed dated copy of the Cancellation Notice, within seven days (by midnight) of signing the enrollment agreement, all monies collected by the school shall be refunded. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person. This policy applies regardless of whether or not the student has actually started training.
- C. If the student cancels his/her enrollment after the seventh assessed day after signing the enrollment agreement without the student starting classes, he/she shall be entitled to a refund of all monies paid to the school less a registration fee of \$100. The cost of the kit and supplies are not refundable due to sanitary reasons.
- D. Withdrawals of more than seven days after the start of class may be entitled to a partial refund. Students have a right to withdraw from school at any time and receive a refund for the part of the course not taken. The amount of that refund shall be "pro-rated" according to the incomplete portion of the course, less the cost of the registration fee of \$100.
- E. Students who terminate prior to course completion will be charged a \$100 registration fee and refund given based on number of scheduled hours of the course not completed less non-refundable kit and STRF fees. Students who have completed more than 60% of the course hours are not eligible for a refund. If the school is permanently closed and no longer offering instruction after a student has enrolled, the student may:
  1. Transfer credits to another school offering similar courses. Transferrable credits are based solely upon the school's policy and should first be verified with the school. The student will be eligible for a refund based on the school's refund policy **OR**
  2. Teach-out: Students that are within 90 days of completing their course of study may be able to finish their course before the school closes. These students would not be eligible for a refund.
- G. If a course is cancelled subsequent to enrollment, the school shall at its option:
  1. Provide a full refund of all monies paid; or

2. Provide completion of the course.

H. Monies due to the applicant or student are refunded within **45** days of official cancellation or withdrawal. The amount the school would be allowed to retain would be calculated based on the number of hours the student was scheduled to complete (according to student schedule), in the following manner:

Course Hourly Rate x Number of hours not attended = Total amount of refund

The course hourly rate is calculated based on the cost of tuition divided by the number of hours of the course. The number of hours a student was scheduled to complete is subtracted from the total number of course hours. The costs of registration, STRF, and student kits are non-refundable.

Refund Example: Assume that a student, upon enrollment in a 1600 hour course, pays \$6,000 for tuition, \$100 for registration (non-refundable), STRF fee, and \$300 for equipment (non-refundable), as specified in the enrollment agreement. The student withdraws after completing 550 hours, but was scheduled to have complete 600 hours; the pro-rata refund to the student would be based on the calculation stated below:

Course Hourly Rate	Tuition Paid on Hours Received "Earned Tuition"	Hours Paid for but not received	Refund calculation of tuition	Summary of Refund Calculation
Tuition / Course Hours	# Course Hours Scheduled x Hourly Cost of Tuition	# Total Course Hours - # Course Hours Scheduled to Attend	# Hours Paid for but not received x Course Hourly Rate	Total Tuition Paid – Earned Tuition, Kit, Registration Fee
\$6000 / 1600	600 x \$3.75	1600 - 600	1000 x \$3.75	\$6400 - \$2250 - \$300 - \$100
\$3.75 per hour	\$2250	1000 Hours	\$3750	\$3750

"Enrollment time" is defined as the hours of attendance, the portion of the course completed on the student's last day of physical attendance in the school. Any monies due the applicant or student shall be refunded promptly (45 days) after formal cancellation by the student as defined in item B or formal termination by the school, which shall occur no more than 14 days from the last day of physical attendance, or in the case of a leave of absence, the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that they will not be returning.

## WITHDRAWAL POLICY

Regardless of the average level of attendance, students who have more than two consecutive weeks of absences, (14 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days up to 90 days are encouraged to request a Leave-of-Absence.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

1. The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
2. The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
3. The date you fail to attend classes for a 14 day period and fail to inform the school that you are not withdrawing.
4. The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of determination of withdrawal will be the scheduled date of return from LOA or date the student notifies the institution that s/he will not be returning.

Withdrawals of more than seven business days after the start of class may be entitled to a partial refund based on institutional refund policy. Students have a right to withdraw from school at any time and receive a refund for the part of the course not taken.

## RETURN OF TITLE IV

Special note to students receiving Pell grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Funds owed by the student to the Grant programs are limited to 50%

of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid. Refunds are to be made no later than 45 days from the date of determination of withdrawal.

## FINANCIAL AID

---

### FINANCIAL AID-CONSUMER INFORMATION

Based on a combination of approvals, authorization, and accreditation, our students are eligible to apply for and receive tuition aid and financial assistance while attending the college. This includes Federal PELL Grant [Does not require repayment (FPELL)]

### GENERAL FINANCIAL AID INFORMATION

If you wish to apply for financial aid or you have questions, or you need sections of the handbook clarified, contact the financial aid office at the school. Additional information regarding the student aid programs available at Advance Beauty College may be found in “The Student Guide” and the “Free Application for Federal Student Aid” published by the U.S. Department of Education. Additional information may be obtained by calling the Federal Student Aid Information Center between 9:00 a.m. and 5:00 p.m. (EST) Monday through Friday at 1 (800) 433-3243. Internet access is also available at <http://www.fafsa.ed.gov>.

### COMPLIANCE STATEMENT

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

### FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

### STUDENT ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, a student must:

- Be admitted as a regular student
- Be enrolled or accepted for enrollment in an eligible program on at least a half time basis;
- Be a citizen or an eligible non-citizen;
- Not owe a refund on a FPELL Grant or FSEOG at any school;
- Not be in default on a Perkins Loan or Stafford Loan/SLS/PLUS/Direct Loan at any school;
- Have financial need;
- Be making satisfactory progress (as defined by the school's policy) in the course of study;
- Be registered for selective service (if a male born on or after January 1, 1960);
- Have signed a statement of educational purpose;
- Have signed a statement of updated information;
- Have a High school diploma, (or its equivalent) a GED, or have demonstrated the ability-to-benefit;
- Agree to use any federal student aid received solely for educational purposes.

### APPLICATION PROCEDURES AND FORMS

Financial aid applications for this institution consist of the Free Application for Federal Student Aid (FAFSA). This form needs to be completed as instructed on the form.

Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

## **TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE PROGRAM OF STUDY:**

As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, student would have earned only 50% of the aid received or eligible to have received. To determine the percentage complete, the scheduled hours of class or the actual hours attended (if less than seventy percent of scheduled hours) will be divided by the total hours in the payment period. Unearned aid will be returned to the program(s) in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

## **DEFINITIONS**

(The following definitions correspond to some common terms used within the financial aid terminology):

In effect, all students enrolled in courses with an academic year schedule to be completed in less than 30 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

**CLOCK HOUR:** 50 to 60 minutes of supervised instruction during a 60 minutes period.

**CREDIT BALANCE:** A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. **PARENT(S):** For the purposes of the financial aid programs, "a parent" is the mother and/or father or adoptive parents, stepparent or legal guardian - not foster parents.

**PAYMENT PERIOD:** 450 hours and 15 weeks for courses of 900 hours or more. It is the mid-point of the program for courses of less than 900 hours and 30 weeks.

**NEED:** Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

**WITHDRAWALS:** Students are officially withdrawn on date of notification, date terminated by the institution,

date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

**RECOVERIES:** Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans.

Students may take repayment arrangements with the U.S. Department of Education within 45 days from the student's withdrawal and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by U.S. Department of Education.

**REFUNDS:** In any case where a refund is due to the Title IV Programs, the payment of the refund will be made within 45 days from the official withdrawal date first to FPELL and then to the student. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.

**TRANSFER STUDENT:** A student, who attended a Post-secondary institution before the enrollment at ABC, is required to provide a Financial Aid Transcript from each of the institutions attended within the last year or at the school's discretion before the enrollment at this institution.
